<main>
  <h2>About my website/topic:</h2>
  <p>Welcome to the ultimate fan website dedicated to the world-famous K-pop group, BTS. Here, you'll find everything you need to know about the talented members and their music videos.</p>

  <h2>Our Goals</h2>
  <p>Our primary goal is to create a platform where ARMY (BTS fans) can come together to celebrate the music and impact of BTS. We aim to provide a user-friendly and visually appealing experience for fans worldwide.</p>

  <h2>Website Plan</h2>
  <p>This website will feature sections on BTS members, their latest news, and an interactive fan zone. Utilizing HTML for structure, CSS for styling, and JavaScript for dynamic elements, we plan to make the website engaging and responsive.</p>

  <h2>Next Steps</h2>
  <p>1. Implement HTML structure for different sections.<br>
  2. Apply CSS styles to enhance the visual appeal.<br>
  3. Use JavaScript to add interactive features, such as quizzes or a fan forum.<br>
  4. Regularly update content to keep fans informed and engaged.</p>
